

# Shot and Shell Tell the Tale: What Archaeology Can Contribute to the Study of Conflict

**Douglas D. Scott, PhD**

Internationally renowned battlefield archaeologist, Dr. Douglas Scott, will discuss how archaeology can help us discover the true history of battle sites.

Dr. Scott's wide ranging experience runs the gamut from groundbreaking research on U.S. battle sites to support for international human rights and forensic investigations.

Dr. Scott is visiting the area to support archaeological research of the Parker's Revenge battle site in Minute Man National Historical Park.

**Tuesday, November 11, 2014**

**7:30 pm**

**Lexington Depot  
13 Depot Square  
Lexington, MA**

This program is free and open to the public.
