Patriot's Day 2020 Sponsorship Opportunities

This April, support Patriots' Day activities and show your patriotism to thousands of visitors coming to Minute Man National Historical Park

PATRIOTS' DAY 2020

Patriot's Day celebrates the opening battles of the American Revolution — the events that led to the founding of our country.

This April, Minute Man National Historical Park will welcome over 24,000 visitors as hundreds of reenactors converge in the Park to bring history to life through events commemorating April 19, 1775.

Over a dozen Patriot's Day events will be offered free of charge to the public throughout the month of April. Hosting Patriot's Day events is an expensive undertaking and we need your support! To ensure a great experience for visitors, the Park must cover costs outside regular operating expenses such as traffic control, crowd management, rental of audio systems, portable toilets, and orientation for thousands of additional visitors.

The Friends of Minute Man National Park is an independent, non-profit 501(c)(3) organization and is raising funds to support the hosting of the 2020 Patriot's Day events. **Your sponsorship directly supports these events, showcasing your company's patriotism.**
